

Bar Package

All beverage packages include two certified bartenders, plus security personnel for up to five hours. Our packages are consumption based so you're only paying for drinks that are actually served. This allows great flexibility in the design and budget of your bar package. Your guests will enjoy all bar drinks being served in glassware, even chilled pinit glasses! There are no plastic cups here, except for the kiddos. This is wedding day!

Sip-Tini --- our very own camper bar!

Add her for cocktail hour or for the whole evening.
Your guests will love her!
